Character File

17 Sairenji Akiho

☆Akiho

Haruna's older sister. She works as an editor of a fashion magazine. She's also technically Maron's actual owner. She's currently on the lookout for a boyfriend of about 22 years of age? (lol!)

☆As an older sister

Her relationship with Haruna is messy, but good. She sometimes treats her sister like a child, but that's just the proof of how close they are!

☆Her relationships with men

Akiho seems to have a lot of male friends, and among them is Kotegawa Yuu (Yui's older brother). It's maybe a bit of untold backstory, but they actually met at a party among some mutual friends (haha!). Yuu is pretty serious, but Akiho kind of...isn't?

☆Hobbies

We haven't done much with this in the story yet, but Akiho loves pets like dogs and cats. However, with her work being really busy, Haruna often ends up responsible for Maron.

☆What's next...

Okay, I know everyone has been very interested in Akiho's relationship with Kotegawa Yuu! However, so far, Akiho has just been kind of a side character, so her future role will be based on how things in the story end up going. I'd like to use her in some kind of way that leaves an impression...but I don't know, maybe we'll start with something steamy? (Eheheh!)

Mikan's Observation Log 5

Thok! Thok! The sound of the knife repeated over and over.

The pot next to her bubbled away, the sound of gurgling water and chopping knife mingling into a kind of duet.

× × ×

“All right, dinner’s almost done!”

Standing on her tiptoes, Mikan reached into the top cabinet and took out some dishes. Her twin bunny slippers also stretched out together...

“Today sure was a calamity, though... A weird alien from planet Feever...or was it...? Oh, whatever. Important thing is, he stole the groceries...”

× × ×

Thok! Thok! In a steady rhythm, the chopping of the vegetables continued.

“It was pretty fun dressing like Yami-san, though...”

“...”

The rhythm of the knife stopped...

“Maybe I should ask Peke to help me transform like that again! Hee hee! ♪”

Her cheeks grew slightly red, and she let out a slightly strained laugh to herself.

Thok! Thok! The rhythm of the knife resumed, blade to vegetables once again.

× × ×

“A whole lot of wacky stuff happened today, but I’m really happy Rito and Yami-san saved me, too! ♪”

“Okay!”

× × ×

Mikan placed the chopped vegetables on some plates, and with that, the salad was done.

She hollered towards the living room: “Rito! Lala-saan! Nana-san! Momo-san! Dinner’s just about ready!”

With her large eyes and cute, smiling face, Mikan seemed to be enjoying herself. The dinner table at the Yuuki residence would probably be quite lively again today...

Magical Kyouko, the Dynamite Girl: Part 1

All Info Taken From: Free Encyclopedia (ukiuki ♪ pedian)

Magical Kyouko, the Dynamite Girl:

An original animated television show aimed at young girls.
51 episodes in total.

Plot Summary:

Uzarth is a mysterious organization that sows the seeds of stress around the world. But there is one brave girl who stands against them, Magical Kyouko—her adventures make up this slightly naughty romantic comedy aimed at young girls!

Characters:

- **Kirisaki Kyouko**

A magical girl from another world who is a sophomore in high school. She's quite busy worrying about love and style, but supposedly, she's only interested in looks. She can transform into Magical Kyouko, the Dynamite Girl. Her tendency to solve all her problems by lighting them on fire can be something of an issue at times.

- **Shirone**

Kyouko's support character. A stylish white cat wearing a ribbon. It can talk!

- **Ikemen Yuuto**

A.K.A. "Dreamboat-Senpai." A bass player in a band and Kyouko's senior in school. He's a handsome guy, buuut a bit of a perv. He's madly in love with Kyouko, but she really only seems interested in his face. He knows Kyouko's real identity, and helps her in the fight against Uzarth.

- **Dark Lord Uzarth**

The leader of the mysterious organization Uzarth. His true identity remains a mystery.

- **General Mojack**

One of Uzarth's commanders. Accompanied by a squadron of Stress-Makers, he burns with a passion to defeat Kyouko. Has an afro, but no one really knows why. You have to respect that hair.

- **The Stress-Makers**

The so-called villains of the week, they appear in antagonistic roles each episode. Count Gemuu, Baron Mobile, Prince Night, Secretary Stockings, Colonel Toothbrush, and more round out this dastardly group.

Publication

Shuueisha has published six volumes, one light novel, and two magazine books (or *mook*). A short story collection is in the final stages of production, with original characters from designer Mr. Kentaro, which will differ from the serialization that appeared in monthly magazines.

All Info Taken From: Free Encyclopedia (ukiuki ♪ pedian)

Drama CD:

Features an original story composed by the series planner, Saki Hasemi. A drama CD ostensibly aimed at young girls, sales were halted due to the contents being adult-oriented in more ways than one. With only a few sold, they fetch a high price now on internet auction sites.

Series OP and ED Themes:

Opening Theme – Burn! Magical Kyouko (Episodes 1-26)

Lyrics: Kentaro Music/Arrangement: Ucchii Vocals: Kirisaki Kyouko & the Firegals

Opening Theme – The Dynamite Girl's Fury! (Episodes 27-51)

Ending Theme – Maiden's Blaze (Episodes 1-26)

Lyrics: Kentaro Music/Arrangement: Ucchii Vocals: Kirisaki Kyouko

Ending Theme – March of Dynamite: Hot Hot Hot! (Episodes 34-51)

Lyrics: Kentaro Music/Arrangement: Ucchii Vocals: Kirisaki Kyouko + General Mojack & The Stress-Makers

OVA:

On sale separate from the main series are two OVAs (Original Video Animation). Episodes in this run carried the title *Magical Kyouko, the Dynamite Girl – Burning!* The tagline for the OVA version is “dear friends.” First-run copies came with a postcard with a hidden secret. Also features audio commentary tracks (Old Man Who Unexpectedly Walked, Part-Timer on the Sound Crew, the Director's Son, a Cat).

Feature Film:

A theatrical release targeted for Golden Week. “One day, mysterious panties fall from the sky. Thrills and Suspense! Kyouko and her friends explode onto the screen! Feel the pulse of sorrow...” Showing with: *Shirone's Bon Holiday*.

Note:

Magical Kyouko relies on strong word-of-mouth to achieve box office and financial success; the franchise has no children's toys aimed at the younger market. Kyouko will return next year with the debut of a new series: *Magical Kyouko, the Dynamite Girl – Flame*.

READING DIRECTIONS

This book reads from *right to left*, Japanese style. If this is your first time reading manga, you start reading from the top right panel on each page and take it from there. If you get lost, just follow the numbered diagram here. It may seem backwards at first, but you'll get the hang of it! Have fun!!

Splendid Siblings

Lala's been living on Earth with Rito for a while now, but he's about to get a couple of brand-new extraterrestrial guests: Lala's beautiful twin sisters, Nana and Momo! The royal twins are troublemakers, but the trouble reaches a whole new level when outer space assassins come gunning for Rito under the fireworks of a town festival. Meanwhile, Haruna makes a big decision—is she ready to admit her love for Rito?!
